Subject: Water Issues

Layne,

We met at the most recent Office of Water Ag Stakeholder meeting.

I'm sure you are running full speed now that Mr. Pruitt has been sworn in, but I was hoping that I could get a short word with you on the phone.

If possible please let me know. If agreeable I could also send you a short discussion on the issue for which I have concern.

I assume you are the right person to speak with concerning water issues.

Thanks

DDD
